Unico Training

Unico and RST Inc. are proud to offer a full day training on Unico, the small duct high velocity system that fits anywhere and gives quiet comfort. Unico is not just a cooling system, it is an amazing heat delivery system as well.

This is a chance to get you or your people up to speed on Unico before the end of 2008

When: December 17, 2008 9a.m.

Where: RST Inc training center, 372 University Avenue, Westwood, MA

Who should attend: installers, HVAC technicians, sales people

What will be covered:

System Basics

What makes Unico different from Conventional A/C

Parts of the System

Rules of Installation

How to price and quote a system "Quick Quoter" for Unico

Unichiller – residential chillers

Advanced control board

Unispot – commercial spot cooling

Cost: \$30.00

Please RSVP by Friday December 5th, fax 781-320-9906 or call 781-320-9910
